There's no use paying for something you don't get. No use paying your money for carefully sewed seams, and for careful cutting and then get common goods and all the badness that poor pants means. The fire bell was brought into use Wednesday morning for the first time since it was placed in the tower. A small house belonging to Capt. J. C. Richard located just north of the Episcopal church caught fire from the chimney. The fire was spreading rapidly when the bell sounded the alarm, but the fire engine was promptly carried to the scene by citizens and a good stream of water extinguished the flames before much damage was done.

One night when Mr. Isaac Reese was stopping with me, says M. F. Hatch, a prominent merchant of Quartermaster, Washington, I heard him groaning. On going to his room I found him suffering from cramp colic. He was in such agony I feared he would die. I hastily gave him a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He was soon relieved and the first words he uttered were, "what was that stuff you gave me?" I informed him. A few days ago we were talking about his attack and he said he was never without that remedy now. I have used it in my family for several years. I know its worth and do not hesitate to recommend it to my friends and customers. For sale by Starke Drug Co.

Mr. Hyde's Commission, Held Up. A slight delay in the receipt of his commission as tax collector was occasioned by Mr. J. C. Byrd by a slight flaw in the bond which was forwarded to Governor Mitchell last week, but the error has been rectified, the new bond approved by the county commissioners and forwarded to Tallahassee, and the commission will be forthcoming in a few days. In signing the bond Messrs. C. M. Sparkman and M. L. Johns subscribed as C. M. Sparkman & Co. It is held that a firm can only be bound for the specific purpose for which it was organized. These facts taken together constituted the flaw in the bond. As the error was promptly rectified and the new bond forwarded Wednesday, it is expected that Mr. Byrd will be in possession of his commission by Saturday.

Are you taking Simmons' Liver Regulator, the "King of Liver Medicines?" That is what our readers want, and nothing but that. It is the same old friend to which the old folks pinned their faith and were never disappointed. But another good recommendation for it is, that it is **STARKES' LIVER PILLS**, never gripes, never weakens, but works in such an easy and natural way, just like nature itself, that relief comes quick and sure, and one feels new all over. It never fails. Everybody needs take a liver remedy, and everyone should take only Simmons' Liver Regulator.

The members of the Starke Ladies' Improvement Association expect to hold their regular meetings from now on. Though they have met with much kind treatment, there have been times of great discouragement and trials. Still they have persevered believing they were working for the good of our pleasant little town. The old members are some of them very faithful in both attendance at the meetings and in putting their shoulder to the wheel. Once in a while the society is gladdened by the addition of a new member. They have undertaken to keep the streets clean, but it has proven decidedly up-hill work, as some of our citizens refuse to stand by us, while a few (we are happy to say it is a few) sneer at our efforts. The park is an ornament to our little city and it represents considerable labor and expense. We owe but little on it, and hope soon to owe nothing. We would ask the citizens and merchants to help us this far, and we assure them it will be appreciated by the society. We also ask that they will see to their own sidewalks and doorsteps, and not allow papers and fruit rinds thrown in the business portion of the town.

At the last meeting of the Association there were several complaints entered by the members about the dogs. They have been working considerable mischief in some of the yards. We would respectfully ask the council to see that the marshal ride our town of these nuisances. They are neither useful or ornamental. One other thing we call their attention to: the condition of some of the ditches around the thickly settled parts of the town. We thank the council for their kindly endeavor to aid us in the past. We hope they will still continue to aid us in our work for the good of the public.

Respectfully, S. L. I. A.

SPONGES,

Any and all kinds. STARKE DRUG CO.

The State Commander writes us from Lincoln, Neb., as follows: "After trying other medicines for what seemed to be a very obstinate cough in our two children, we tried Dr. King's New Discovery and at the end of two days the cough entirely left them. We will not be without it hereafter, as our experience proves that it cures where all other remedies fail." Signed E. W. Stevens, State Com. Why not give this great medicine a trial, as it is guaranteed, and trial bottles are free at the Drug Store of Starke Drug Co., and John A. King of Lake Butler. Regular size 50c. and \$1.00.

POWELL'S FITTING FOOT-WEAR

at Truby, Sternburg & Co's.

For la grippe use Dr. Powell's Feyer Cure. It "never fails" to cure it.

Buying Beauty.

"If I was only good-looking," is the wish of many a woman to-day.

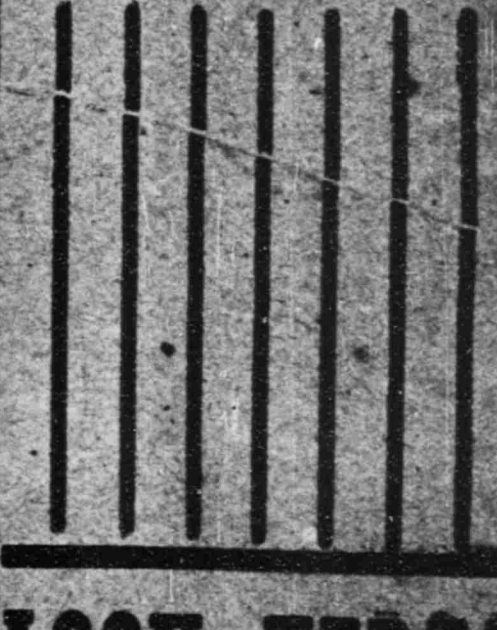

It never occurs to most women that there is a beauty obtainable at little trouble. It is the beauty of rosy cheeks and ruddy health. Most women lose it through indigestion, biliousness, disordered liver, etc.

If you want to transform a sallow complexion into the glow of health, you can do it by cleansing the system from impurities and causing the liver to work effectively. No single medicine can accomplish all that is needed. A liver pill will merely arouse the liver; it will not purify the blood, or repair the waste, or tone up the system. For this you must follow your liver pill with some powerful, invigorating tonic.

The best, and also the least expensive preparation, is **Baron's Tonic Liver Pills** and **Baron's Tonic Pellets**. You get these two medicines in separate boxes at the cost of one--only 25 cents. Your druggist will tell you that this is a sure cure for biliousness and constipation.

At all dealers, or mail, for 25c., 5 boxes \$1.00. **BARON'S TONIC CO., New York.**
